

Job Description - **Reputation and Crisis Management Team**

of Openings : 3

The Reputation and Crisis Management Team at IPSW is a group of sharp and witty thinkers who work with reputed politicians and political parties from time to time in order to prevent our client from creating any embarrassing situations for themselves or for their parties. This team works to prevent any damage/embarrassment or repair any damage/embarrassment caused by our clients or candidate's untoward actions both in public and as well as in the social media platforms. This team is dedicated and ensures that our client's political opponents don't damage the reputation amongst the mass voters by sharp predicting and reporting such cases immediately. They use IPSW's Reputation and Crisis Management techniques to enhance and maintain our valuable client's reputation both on ground and in the social media sphere.

Requirements and Responsibilities

- Must possess good communication skills
- Should have the ability to take quick decisions that are result oriented
- Must maintain proper work relationships with the clients
- Great knowledge about the use of digital and social media platforms
- Excellent commanding skills
- Experience in working or handling famous personalities prior to this
- Ability to tackle minor and major mishaps caused by client's untoward actions
- Ability to immediately strategize a solution plan to minimize the effect of the mishaps/embarrassments caused by a client
- Predictive analysis and close monitoring of activities of our client's opponents that could cause a major or a minor political and personal embarrassment to their image
- Coordinating with other teams at IPSW
- Ability to work on multiple projects simultaneously
